

SHOWMOW RACING AUSTRALIA USER PAYS LEVY

To help with costs of maintaining the various areas of the club that are for members benefits a small user-pays charge will be levied in 3 different areas - Practice at Home Ground track (Archer), use of Showmow Shed facilities to build/maintain a mower and transport of mower/s on the Showmow Racing truck. *This is not a profit-generating operation* - any funds left over from this levy after direct costs are paid for will go back into maintaining and upgrading the club's facilities/equipment.

To assist with ease of payment a pre-paid system like the drinks cards will be operated - expense cards to the value of \$50 will be available for purchase and each member should keep theirs and present each time needed - there will be NO management of these cards by Committee or other designated officials on behalf of a member. Cards may be purchased at the Home Ground practice event from Aaron or his designated representative, at the Shed on Friday's from Rod / his designated representative or at Members Meeting from the Treasurer.

LOST CARDS: It is possible to calculate the remaining value on a member's card should it be lost, however there will be some admin overhead involved therefore a \$5 fee will be levied should a replacement card be requested - this fee will be deducted immediately from the newly issued card. If the calculated remaining value is \$5 then a new card should be purchased.

PRACTICE AT HOME GROUND TRACK - \$10/mower/day

The procedure at practice sessions at the Home Ground track will henceforth be:

- Sign in on the 'sign-in' sheet - Aaron Lloyd or his designated representative will have it
- Have your \$10 punched out of your expense card OR
- Pay \$10 cash (a receipt book is present to record the payment)
- Complete your session
- Sign out upon leaving (this is important for insurance purposes)

USE OF FACILITIES AT SHOWMOW SHED - \$10/night

The procedure at the Showmow Shed will henceforth be:

- Sign in on the 'sign-in' sheet - Rod Dickinson or his designated representative will have it
- Have your \$10 punched out of your expense card OR
- Pay \$10 cash (a receipt book is present to record the payment)
- Complete your session
- Sign out upon leaving (this is important for insurance purposes)

TRANSPORT OF MOWERS ON SHOWMOW TRUCK - \$10/mower per event

When mowers are being transported to a show the procedure will be:

- Present your mower to the Load Master for allocation & loading
- Have your \$10 punched out of your expense card
- NOTE - THERE WILL BE NO CASH PAYMENTS ACCEPTED AT TRUCK LOADINGS - LOAD MASTER AND THEIR ASSISTANTS NEED TO FOCUS ON LOADING AS EFFICIENTLY AS POSSIBLE."

Thank you for your help in this endeavour – *Showmow Racing Australia Management Committee*
